HOME AND HOME SHUTTLE

SEWING MACHINE.
JOHNSON, CLARK & COMPANY,
MANUFACTURERS.
17 New Montgomery St., San Francisco, Cal.

The HOME and HOME SHUTTLE Sewing Machines were awarded the highest prize and diploma at the Centennial, 1876, and are the perfection of Mechanism. These unequalled machines use a straight needle, make the "lock stitch," have a self-adjusting tension, and are adapted to every variety of Sewing for Family wear, from the lightest muslin to the heaviest cloth, and will also sew leather. They are specially adapted to the wants of

Tailors, Dressmakers, Seamstresses,
Manufacturers of Clothing, Shirts,
Shirts, Corsets, Ladies' Boots,
Umbrellas, Etc., Etc., Etc.

THE HALL TREADLE

Is the greatest improvement ever invented in connection with the sewing machine, and we being the sole agents for the Hall Treadle have concluded to apply it to every "Home" or "Home Shuttle" Sewing Machine sold hereafter on the Pacific Coast without extra charge. (Take notice that the other sewing machine fitted up with the Hall Treadle costs \$12 extra.) The Home and Home Shuttle Sewing Machines with Hall Treadle attached, are the lightest running, and superior to any machines, and for all practical working purposes.

Simplicity, Strength and Beauty.
They are unapproached by any other Machine yet invented.

Theatrical.

Modjeska will favor us next Monday night, we understand. She is one of the best of America's actresses and we shall endeavor to show her we appreciate the compliment shown us, by crowding Smith's Academy of Music.

Welcome Storm.

The long promised rain came yesterday afternoon, and no one complained. It had slipped us Fair week, and we feel as though a flood would not hurt much now.

The "Fair" opens in San Francisco to-day, continuing throughout the week. The familiar faces here last week are now to be seen at the Bay District grounds. This week winds up the "Circuit."

ALL persons having bills against the Agricultural Society are requested to present them to the Secretary immediately. The Trustees meet on Sunday next to audit all claims, and all bills so audited will be paid on Monday.

PHILIP and GHO. MANN were arrested yesterday, on complaint of Mr. J. F. Cooke, for assault and battery. Their case will be heard to-day.

DAN McGOVERN was attached and closed up last evening. Sorry for Dan.

A Fatal Ending.

Mike Donahue who had his leg broken some time weeks ago by a stick of wood coming down a dry chute died yesterday afternoon. The wound did well for about ten days and then began to do badly. Dr. Hogan called Dr. Hutchins in consultation and the two have been in constant attendance. At last active bleeding and the failing strength of the poor man forced the doctors to amputate the limb at the knee joint. The operation was skillfully performed by Dr. Hogan assisted by Drs. Hutchins, Snow and Dawson, but the patient died about two hours after. Dissection of the amputated leg showed that both bones were broken in numerous fragments, one of which had cut an artery. But a trifle of blood was lost in the operation. He leaves a wife and young child.

Barnett's Emporium of Fashion.

We direct the attention of the reader to the new advertisement of Barnett Bros. They certainly make the best showing they have ever made in the town. What with Tom's purchases in Europe and the East, and the selections by Isaac below, all tastefully arranged by Cohn, chief clerk, the display can not fail to attract attention and command admiration. If anyone desires to see a well filled store, crammed with fine goods at living prices, all he need do is to pay a visit to Barnett Bros. A glance at the samples and prices displayed in their elegant store, will attract the closest buyer, and he will be almost compelled to trade in spite of himself.

Bonanza Bullion.

The bonanza shipped last Saturday evening, 23 bars of Con. Virginia bullion, worth \$90,683 18, and 29 bars of California bullion, worth \$125,780 28, makes for the present fiscal month \$338,313 43 for Con. Virginia, and \$586,881 27 for California.

We are requested by President Batterman to return the thanks of the Agricultural Society to the various committees, for the prompt and faithful manner in which they discharged their duties.

THREE fans and a brown veil have been found at Smith's Academy of Music. The owners will find them at the express office.

S. P. R. R.

The Southern Pacific Railway Company have won a substantial victory in securing an acknowledgment from the Cabinet that they are entitled to the right of way across the Government reservation at Yuma. It was but proper, according to well established principles of public policy, that the company should be allowed that right, particularly after having expended their money in good faith to reach the disputed ground. The decision of the Cabinet is invested, says the San Francisco Stock Exchange, with an additional interest from the fact that the discussion called out from Mr. Huntington a statement of the company's plans. Mr. Huntington stated that the company was prepared to push forward their work on the road eastward through Arizona this winter at the rate of a mile and a half per day. They have rails for 200 miles already on the Pacific coast, and by the time they are used up they will have more delivered. He further said that all their arrangements were completed whereby they would be enabled to have the right of way through Texas, and in connection with the lines already built and building, have connection with New Orleans. They expected within the next three years to be running trains from San Francisco through to New Orleans.

A BILL has been introduced into the United States Senate to change the day of the Presidential election from the first Tuesday after the first Monday of November to the corresponding day of October, and to hold the election a year earlier, so as to let the Electors hold their meeting in July instead of in December of Leap Year. The San Francisco Alta thinks these amendments would give time for the judicial settlement of disputes, and do not require a departure from any established principle. The first week in October is better for an election than November, and if the amendments should be adopted, the States generally would change their statutes so as to choose their officials at the same time.

The Leopard Trustee want about \$55,000, and hence have levied an assessment of 50 cents per share, delinquent November 17th.

TO THE CITIZENS OF RENO.—Yankoe Dodge having decided to remain in Reno for a few weeks longer takes this method of calling your attention to the fact. Having for many years been connected with the well known cheap house of I. D. Wilson & Co., No. 75, Bowery street, New York, enables me to sell goods at lower rates than those less favored. My stock consists of almost everything you can think of, in fact a general variety store. New goods will be constantly added. My aim will be to give 25 cents worth of goods for every two bits received, and any article not as represented the money will be refunded. No two prices, a child can buy as cheap as a grown person. Come in and price goods, no one expected to buy unless they so desire. Peddlers supplied at less than San Francisco prices. Come and see us, corner Virginia and Second street, opposite New Old Fellows Hall.

YANKOE DODGE, Proprietor.

COHN & ISAACS, of the famous White House, have raised the black flag and propose having a war-dance over the prostrate bones of all opponents in the clothing business. Blood and scalp is what they call for, and "war to the knife and knife to the hilt" is their motto, neither giving nor receiving quarter. They revel in the destruction of prices, and are selling off the best of clothing at the most ruinous cash rates by the wagon load, in order to make room for huge invoices of Fall and Winter goods, which are arriving.*
